

Get behind the wheel, with Zipcar

Having a car on campus just got a whole lot easier

Zipcar, the world's leading car-sharing service, is now at University of Connecticut!

What does this mean? Students, Faculty and Staff now have access to wheels with no strings attached **for only \$15/year**. Once approved, members simply make a reservation on Zipcar's free mobile app and pay by the hour or day, 24/7, with rates as low as \$7.50/hr.

You only need to be 18 years of age with a valid driver's license – international drivers included! **Interested? Stop by to meet our team at the intersection of Fairfield Way and Hillside from 10am to 4pm to learn more about Zipcar (Plus, we'll have some fun swag for you!)**

There are four simple steps to Zipcar freedom. **Join for \$15/year or stop by and sign up with our team today.** Once you're a member, reserve a car online or on your phone for as little as an hour or as long as seven days. Scan into the car using your Zipcard. (The keys are already in the car.) Drive away. (Just make sure to return the car back to the same location at the end of your reservation.)

With Zipcar parked right on campus, it's easy to get to the city, do errands, or even take a road trip. And since Zipcar covers gas, insurance, and 180 miles per day, you can enjoy the freedom of the open road without any of the extra costs.
